[Equifax](#): (800) 349-9960

2 What is a verifiable business phone number?

This phone number will be verified against the applicant business and if the business does not have a verifiable phone number, please list the phone number related to it.

3 What is your NAICS Code?

The North American Industry Classification System (NAICS) groups establishments into industries based on the similarity of their production processes. Your NAICS Code is self-assigned and based on your own assessment of the

primary activity of your business. The comprehensive system covers all economic activities, with 20 sectors and more than 1,000 industries in 2022 NAICS United States.

While applying, leverage the “Obtain Your NAICS Code” tool within the application with just a click to begin. If you have questions on how to use the tool, click “Help.” Your NAICS should begin with 48412.

For more information about NAICS in general, visit the [United States Census Bureau NAICS website](#).

4 What is Persona?

Persona is a third-party platform utilized by Lendistry in its fraud prevention and mitigation process. It enables Lendistry to verify an individual's identity and protect against identity spoofing by automatically comparing the individual's selfie to their ID portrait with a 3-point composite and biometric liveness checks.

5 Who can I contact with questions about the application process?

You can contact the Lendistry Customer Experience Center at 855-476-5870 during the hours of 9:00 am to 8:00 pm Eastern Time Monday - Friday.

Tips for Applying

You do not have to complete the application in one session and will have an option to save and continue it later.

To make your application process as smooth as possible or if you experience difficulties while applying, these are some suggestions that may help.

1

Use the Latest Versions of Website Browsers

For the best user experience, please use the latest version of Google Chrome, Microsoft Edge, or Safari throughout the entire application process.

2

Open Incognito Window

Opening Incognito allows you to enter information privately and prevents your data from being remembered or cached.

3

Clear Your Cache

Cached data is information that has been stored from a previously used website or application and is primarily used to make the browsing process faster by auto-populating your information.

However, cached data may also include outdated information or information you may have previously entered incorrectly.

4

Registering Your MyLendistry Account

When registering your account, please do the following:

- Make sure you pick a strong password that includes:
 - 8 minimum character length
 - 1 uppercase character
 - 1 lowercase character
 - 1 digit
- A confirmation code will be sent to you via SMS/Text, which you need in order to complete your account registration. To protect your privacy and the information you provide, you will also need a confirmation code every time you log into the Portal. Data and messaging rates may apply.

Verifying your Bank Account via Plaid.

Please provide the banking information where you have been receiving disbursements from Amazon for the last **3 months**.

You will be able to link additional bank accounts if you have received Amazon disbursements across multiple bank accounts. Failure to provide a bank account with Amazon disbursements will impact the processing of your application.

What is Plaid?

[Plaid](#) is a quick, seamless way for you to provide what we need to verify your banking information. It replaces you having to scan and upload documents, making it easier for you and giving us an opportunity to provide you with a decision faster.

Plaid is a third-party technology Lendistry uses to set up Automated Clearing House (ACH) transfers by connecting accounts from any bank or credit union in the U.S. to an app like [MyLendistry](#). The third-party does not share your personal information without your permission and does not sell or rent it to outside companies. The use of personal information on or through Plaid is subject to [Plaid's End User Privacy Policy](#). Lendistry uses this technology to verify and review your bank statements.

We need some financial details!

Please provide the banking information where you have been receiving disbursements from Amazon for the last **3 months** (your "Disbursement Account").

Using Plaid to Verify Your Bank Account in MyLendistry

When registering in MyLendistry, you will be prompted to provide bank details and you click “Start Plaid”.

- First, select your bank account and provide credentials.
- After following directions in Plaid, you will be back in MyLendistry and if you have more than one account in that bank, they will all be listed.
- If you run into errors, you have the option to try again. If you continuously run into errors or your bank institution is not available, please contact Lendistry’s Customer Experience Center at 855-476-5870, Monday through Friday (9:00 a.m. - 8:00 p.m. ET).

Select Your Business Bank Account for Funding

The account you link is the business operating account you would like the loan funds and remaining Amazon disbursements to go, so you will need to confirm the routing and account numbers.

Lendistry uses Real Time Payment (RTP) for funding and payment distribution. Please ensure the account you provide for funding is RTP compatible.

This account is also used for repayment of the loan should revenue cease from Amazon.

Please select your bank account for funding and payment (if applicable).

Use Persona to Verify Your Identity

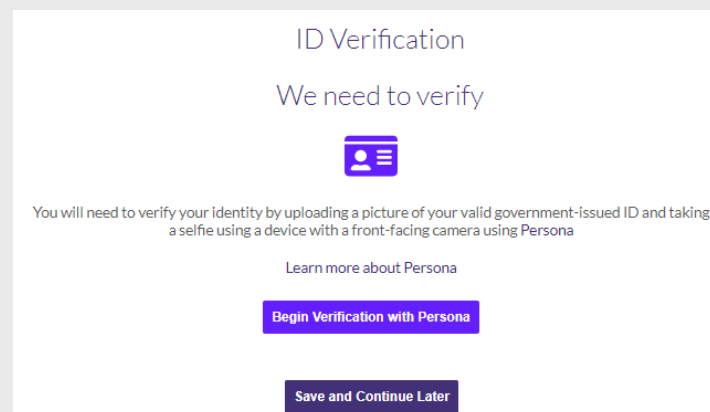

What is Persona?

Persona is a third-party platform utilized by Lendistry in its fraud prevention and mitigation process. The Persona platform enables Lendistry to verify an individual's identity and protect against identity spoofing by automatically comparing the individual's selfie to their ID portrait with a 3-point composite and biometric liveness checks.

Applicants will be required to verify their identity using Persona by uploading a picture of a valid government-issued photo ID.

- Acceptable forms of government issued photo ID include:
- Driver's License
- Commercial Driver's License
- United States Passport and
- State ID

Applicants will also need to take a selfie using a device with a front-facing camera to complete the Persona verification.
